This Stunning house which was built approximately four years ago, is in a select development of only three Contemporary Designed Houses with views across Denton towards Newhaven Marina and Harbour. This superb home is fitted out to a very high specification. Externally, the walls are finished with contemporary natural brickwork, making for an attractive and individual appearance. To take advantage of the far-reaching views, the living accommodation is arranged on the first floor and comprises of the Lounge with a Balcony and then the well fitted Kitchen/Dining Room at the rear, with built in Double Oven, Induction Hob, extractor hood , microwave, fridge Freezer and dishwasher, there is also a large window which overlooks the patio and Lawned Rear Garden, Finishing off this level is a separate WC. The main entrance to the property is at ground level and gives access in to a spacious Hallway which in turn leads to two Double Bedrooms and a Bathroom/WC. To the front is off street parking for several vehicles. This is certainly a unique property which uses its location to the full and is an opportunity not to be missed.
